## REPUBLICANS, VOTE!

To elect Republicans in November you MUST nominate the best available candidates at the Primary Election.

This year there are many contests for nominations for state and county offices. Everyone of them is IMPOR-

TANT. You cannot vote for a Republican in November who failed, through your negligence in September, to get on the ticket.

Don't miss your opportunity to pick a strong slate by going to the polls on Tuesday, SEPTEMBER 14, 1948.

Vote for every office, even those for which nominations are uncontested. The size of each nominee's vote is a

measure of the party's future success.

It is doubly important that we turn out our full party strength in this vital presidential election year.

The history of Arlington (first known as Memotomy, and then West Cambridge) goes back to the early days of the Massachusetts Bay Colony. The first grist mill in the Bay Colony was erected here; Arlington also had the first free public library in the state. The men of the town answered Paul Revere's call at daybreak, engaged in the heaviest fighting on that memorable day and made the first capture of British men and supplies in the revolution.

### He Seeks To Serve

Republican voters in Precincts 1, 3 and 5—part of the 25th Middlesex District-will have a voice next Tuesday in deciding, at the GOP primaries, which two of six candidates will stand for State Representatives at the November election.

Without reflection upon any of the other five candidates on the Republican ballot in this district, we deem it only fair to point out that the sixth-Chester L. Somers-would in our opinion make an excellent state representative.

Employed in one of the largest banks in Boston, Mr. Somers is not a typical politician. He has never run for office before. He has, however, given much thought to needful legislation and has laid out for himself a sound, enlightened programs of action which he is prepared to carry out should he be elected.

A veteran and a family man he believes that greater efficiency in governmnt can and will check the growing burden of taxes, and if for no other reason than this we would like to see him get a chance to speak up in the House of Representatives for voters of the 25th Middlesex district. A vote for Somers next Tuesday is a wise vote.

### Thief Didn't Want Guitar

Oliver W. Hall of Winchester doesn't know who broke into his car near the Capitol Theatre Friday evening and stole his guitar, but one thing appears certain: The thief really didn't want the guitar.

The musical instrument was recovered by police from some bushes where it had been thrown.

A 'jimmy' was used to pry open the car door, the thief evidently hoping for something else than a

> In the extra inning, the eighth, Margaret Callahan singled, Tuggy Harrington walked and Kitchie with the winning run. Mary Callahan played a whirlwind game, getting four for four and making two game-saving catches of long drives. Mal Knowles grabbed a hot line drive that had all the earmarks of an extra base hit. Rita Rivais and Mary Seaver each collected two hits.

Little Mary McDonough, despite the handicap of an injured knee, added two hits to St. James' total. Tuggy Harrington handled her pitcher, Bev McMurray, in fine style. Bev outpitched her famous rival, Mary Blackwell of St. Ann's, allowing only nine hits while St. James got 14 off Blackwell. Mc-Murray issued no free tickets while Blackwell walked five.

For St. Ann's Mary Blackwell was the star. Besides her pitching ability she is a fine fielder and at bat she had three hits in four trips.

The Heights girls showed great courage in coming from behind and winning the game in extra innings. This is nothing new for them, at several times this season they have won in the last inning to preserve their undefeated status. The second playoff game will be

played next Sunday at Garvey Field, Neponset, at 2:30 p.m.

## **Bradford Seen Favored Here For GOP Renomination Next Tuesday; Tobin's Supporters Back Dever**

appeared to be rallying in force behind Gov. Robert F. Bradford for renomination, while-on the Democratic ballot-the withdrawal of Maurice J. Tobin as a candidate left the governorship nomination clear for Paul A. Dever.

Edward M. Rowe, who like Bradford hails from Cambridge, has been waging an energetic battle for the GOP nomination, but in Arlington at least, Republican politicians appeared lined up strongly behind Bradford.

Some confusion is expected in the Democratic primary because of the fact that Tobin's name remains on the ballot, his withdrawal from the race having come too late to delete his name from the primary ballot,

The great majority of voters, however, are believed by this time to be fully aware that Tobin is no longer in the race. Tohin himself, and his supporters, have thrown their strength behind Dever, clearing the way for what in all likelihood will be a Bradford-Dever battle for the governorship in Nov-

From a local standpoint, much interest attaches to the fights for State Representative posts in the 28h district.

Reps. Hollis M. Gott and Hallam T. Ring, the incumbents, have no party epposition for renomination and thus are sure to be candidates for reelection. On the Democratic side, however, three aspirants are running for the two nominationswith high hopes of replacing one or the other of the Republicans.

The Democratic candidates are Henry E. Keenan, Joseph F. Vahey and Joseph A. Scully,
